Report on Awareness Rally to Mark the Launch of NEP 2020

As part of the nation-wide initiative to promote awareness and understanding of the **National Education Policy (NEP) 2020**, **Shri Gnanambica Degree College (A), Madanapalle** organized an **Awareness Rally** on 29-08-2025, commemorating the official launch and vision of NEP 2020.

The rally saw enthusiastic participation from **45 undergraduate students**, who were joined by faculty members and key coordinators, demonstrating collective support for educational reform and transformation. The event was coordinated under the guidance of **Dr. K.S. Ramya**, NEP Coordinator of the institution, who emphasized the importance of aligning institutional goals with the NEP framework.

Adding further value to the event were the college's NEP Saarthis – **Ms. Iswarya, Ms. Charitha, and Ms. Shaik Rumana** – who played a vital role in spreading awareness among the students and the local community. They highlighted the core pillars of NEP 2020, such as **accessibility, equity, quality, affordability, and accountability** in education, while interacting with the public during the rally.

The rally proceeded through key locations in the Madanapalle town, with students holding placards and banners showcasing major reforms introduced by NEP 2020, including multidisciplinary education, skill-based learning, mother-tongue instruction at foundational levels, and the new curricular structure (5+3+3+4).

This event not only served to inform the community about the transformative vision of NEP 2020 but also empowered students to become active ambassadors of educational change.

The management of Shri Gnanambica Degree College appreciated the efforts of all participants and reaffirmed its commitment to implementing the NEP in both spirit and action.
