REPORT ON ESSAY WRITING COMPETITION ON NEP 2020

Introduction

Shri Gnanambica Degree College (Autonomous) recently organized an essay writing competition centered around the topic of the National Education Policy (NEP) 2020. The event aimed to engage students in meaningful discourse on the implications and reforms proposed by the NEP, which seeks to transform India's educational landscape.

Overview of the Event

The competition was held on 12-06-2025 and witnessed enthusiastic participation from students across various departments. A total of 14 participants showcased their insights and perspectives on the NEP 2020, reflecting their understanding of its objectives, impact on the education system, and future implications for students and educators alike.

Participants and Themes

Each participant submitted an original essay addressing different facets of NEP 2020. Topics included:

- The role of technology in education as promoted by NEP 2020.
- Inclusivity and accessibility in the new educational framework.
- The importance of vocational education.
- The significance of holistic development in student learning.

The submissions were evaluated based on criteria such as originality, coherence, clarity of thought, and adherence to the topic.

Awards and Recognition

After thorough deliberation, the panel of judges selected the top three essays for recognition. The winners were awarded for their exceptional writing and ability to articulate their thoughts effectively.

Top Four Winners:

1. First Place: Ms. R. Sandhya, BCA (AI)

2. Second Place: Ms. Hifsa Sadiya, BCA

3. Third Place: Ms. S. Saba Rumana, B.Sc. (Biotechnology) and Mr. B. Rudra Teja, B. Com

Each winner received a certificate and a prize in recognition of their efforts.

Conclusion

The essay writing competition on NEP 2020 at Shri Gnanambica Degree College (A) proved to be a valuable platform for encouraging students to engage critically with important educational reforms. The event not only highlighted the students' writing skills but also fostered a deeper understanding of NEP 2020, paving the way for future discussions and initiatives in the realm of education. The college looks forward to organizing more such events that promote academic excellence and foster a culture of critical thinking among students.
