BRIEF DESCRIPTION OF THE ACTIVITY

The NEP Coordinator and NEP Saarthis, Shri Gnanambica Degree College (A), Madanapalle, organized a Green Campus Tree Plantation Programme with the objective of promoting environmental sustainability and creating awareness about the importance of greenery in maintaining ecological balance. The programme encouraged students to actively participate in environmental protection activities and contribute towards developing a greener campus.

Faculty members and students enthusiastically participated in planting saplings in and around the college campus. The programme highlighted the importance of trees in improving air quality, reducing pollution, conserving biodiversity, and creating a healthy environment for future generations.

OBJECTIVES OF THE EVENT

- To promote environmental awareness and sustainability among students
- To encourage participation in tree plantation and green initiatives
- To create a clean, green, and eco-friendly campus environment

- To develop environmental responsibility and social commitment among students

METHODOLOGY

- The programme was conducted in offline mode within the college campus
- Faculty members explained the importance of tree plantation and environmental conservation
- Students actively participated in planting saplings in designated areas
- Awareness was created regarding the protection and maintenance of planted trees
- Interactive discussions were conducted on environmental sustainability and green practices

PARTICIPATION

The programme was attended by the Principal, Vice Principal, faculty members, NEP Saarthis, and students of the institution. The enthusiastic involvement of all participants contributed to the successful implementation of the plantation drive and environmental awareness activities.

HIGHLIGHTS

- Plantation of saplings across the college campus
- Awareness on environmental conservation and sustainability
- Promotion of green campus initiatives
- Active participation of students and faculty members
- Encouragement of eco-friendly and sustainable practices

OUTCOME OF THE ACTIVITY

The programme was conducted successfully and achieved its intended objectives. It enhanced environmental awareness among students and motivated them to participate in tree plantation and conservation activities. The initiative contributed towards creating a greener campus environment and strengthened students' sense of responsibility towards environmental protection and sustainability.

NEP SAARTHI COMMITTEE

CIRCULAR

Date: 16-04-2026

Subject: Conduct of Environmental Awareness, Sustainability, and Community Sensitization Activities

All concerned are hereby informed that, as part of the implementation of the National Education Policy (NEP) 2020 and the institution's commitment towards environmental sustainability and social responsibility, the NEP Saarthi Committee shall organize various awareness programmes, cleanliness drives, sensitization activities, and green campus initiatives during the academic year 2025–2026.

The activities include cleanliness awareness programmes, campus cleanliness drives, energy and water conservation sensitization programmes, tree plantation activities, waste management initiatives, and promotion of eco-friendly practices within the campus.

The programmes aim to create awareness among students regarding environmental protection, conservation of natural resources, cleanliness, sustainable living, and community responsibility. Students will be encouraged to actively participate in activities related to tree plantation, waste management, energy conservation, water conservation, and maintenance of a clean and green campus environment.

Execution Responsibility

- The NEP Coordinator and NEP Saarthis shall coordinate all programmes and activities.
- Faculty members and departments shall ensure active student participation.
- Necessary facilities and arrangements required for conducting the programmes shall be ensured.
- Proper discipline, execution, and documentation of activities shall be maintained.

Compliance

These programmes and activities are mandatory and will be considered for institutional documentation, NAAC, Green Audit, extension activities, and academic audit purposes. All departments are instructed to cooperate and ensure the successful implementation of the programmes and sustainability initiatives.
