CIRCULAR

Date: 16-04-2026

Subject: Conduct of Environmental Awareness, Sustainability, and Community Sensitization Activities

All concerned are hereby informed that, as part of the implementation of the National Education Policy (NEP) 2020 and the institution's commitment towards environmental sustainability and social responsibility, the NEP Saarthi Committee shall organize various awareness programmes, cleanliness drives, sensitization activities, and green campus initiatives during the academic year 2025–2026.

The activities include cleanliness awareness programmes, campus cleanliness drives, energy and water conservation sensitization programmes, tree plantation activities, waste management initiatives, and promotion of eco-friendly practices within the campus.

The programmes aim to create awareness among students regarding environmental protection, conservation of natural resources, cleanliness, sustainable living, and community responsibility. Students will be encouraged to actively participate in activities related to tree plantation, waste management, energy conservation, water conservation, and maintenance of a clean and green campus environment.

Execution Responsibility

- The NEP Coordinator and NEP Saarthis shall coordinate all programmes and activities.
- Faculty members and departments shall ensure active student participation.
- Necessary facilities and arrangements required for conducting the programmes shall be ensured.
- Proper discipline, execution, and documentation of activities shall be maintained.

Compliance

These programmes and activities are mandatory and will be considered for institutional documentation, NAAC, Green Audit, extension activities, and academic audit purposes. All departments are instructed to cooperate and ensure the successful implementation of the programmes and sustainability initiatives.
