REPORT

World Cancer Day Observance

Date: 04-02-2026

Venue: Shri Gnanambica Degree College(A), Madanapalle.

World Cancer Day was observed at Shri Gnanambica Degree College(A) on 4th February 2026 with great significance. The main objective of the program was to create awareness among students about cancer, its causes, symptoms, prevention, and the importance of early detection.

The program was graced by **Dr. Siva Prathap**, District NCD (Non-Communicable Diseases) Programme Officer, as the Chief Guest. In his address, he explained in detail about the causes of cancer, the harmful effects of tobacco usage, early warning signs, and preventive measures. He encouraged students to maintain a healthy lifestyle and undergo regular medical check-ups.

Mr. Mohammad Rafi, Deputy Health Education Officer, addressed the gathering and emphasized the importance of early diagnosis and timely treatment. He stated that cancer can be cured if detected at an early stage and motivated students to spread awareness in society.

The College Correspondent, **Sri R.Guruprasad Garu**, spoke about the importance of good health and advised students to stay away from harmful habits. The Principal, **Smt. Ramadevi Garu**, appreciated the health department officials and encouraged students to actively participate in such awareness programs.

The **NSS (National Service Scheme) volunteers** of the college also actively participated in organizing and conducting the program. They assisted in coordinating the event and helped in spreading awareness among students.

A large number of students and faculty members attended the program. The event was informative and created strong awareness about cancer prevention and healthy living.

Conclusion:

The World Cancer Day program was conducted successfully. The initiative helped students understand the importance of early detection and preventive care. The college management expressed its commitment to organizing similar awareness activities in the future.
